

Youth Alive is a youth discipleship initiative designed to build resilience among teens and young adults by inspiring and equipping them to make healthy choices. Many teens and youth today are trapped, becoming enslaved by addictions, violence, pre-marital sex, early pregnancy, and dropping out of school. *Youth Alive* focuses on nurturing relationships that build resilience against these at-risk behaviours that plague young people around the world. *Youth Alive* promotes a healthy, purpose-driven life for young people through an evidence-based, positive, peer prevention programme. More information about the leaders' training:

Each training event has two parts:

- a. Leaders' training: 1½ days of theoretical training for leaders/ facilitators
- b. Youth conference: 3 days for teens/youth from Baltic and Adriatic Unions (open for other countries as well). The youth will be engaged in a positive, large-group experience and training about at-risk behaviours through plenary sessions, workshops, interactive activities, small group support and community outreach involvement.

The Leaders' training has two primary **purposes**:

1. Prepare the adult/youth facilitators for the *Youth Alive* Conference that takes place immediately following the training. The leaders will model during the conference what they've learnt

2. Equipping facilitators to continue *Youth Alive* clubs at the local level, after they go back home. The final goal is to start *Youth Alive* local clubs (Friendship groups). The ongoing *Youth Alive* club in the local church, school, or community is more important for long-term impact than the large conference gathering.

The main presenters: Katia Reinert (GC Health Dept), Torben Bergland (GC Health Dept), Julian Melgosa (GC Education Dept), Karen Holford (TED Family Ministries Director), Helgi Jonsson (TED Health Director), Alastair Agbaje (TED Teens Director), Zlatko Musija (TED Senior Youth Ministries Director), as well as other local and international experts.

YOUTH ALIVE YOUTH CONFERENCE:

15-18 August 2019, Tirana, ALBANIA (travel days: 15th am and 19th)

21-24 August 2019, Klaipeda, LITHUANIA (travel days: 21th am and 25th)

Youth Alive Conference is a large event aimed for teens and youth from Adriatic and Baltic Unions but is open for youth from other unions for a limited number of places.

Purpose of the *Youth Alive* Conference:

- To inspire, motivate, educate and recruit new people into the Youth Alive movement
- To provide a positive, large-group experience that will motivate leaders and youth to begin an ongoing Youth Alive programme in a club back home
- To share information through plenary and workshop presentations taught by qualified professionals.

Conference Registration fee: approximately **€100** (soon to be confirmed)
