

What the TED Mission Board can do for you:

1) Creative & Innovative Outreach Fund:

Must be a creative or innovative new approach that you have not tried before

Use new methods, means and tools of outreach (i.e. sports, arts, media, social work, business, education, etc.), an experiment or a pilot project using creatively traditional ways

Must meet at least one concrete need of the community you are targeting, aiming to make a positive difference in the community

Must include the follow-up plans.

Every level does not need to contribute, but if it does, it increases the probability of getting the funding.

The total amount TED will grant is \$40,000 each year.

Apply by the **end of January** (each year).

P.S. All projects entered into this category, which were not rewarded with funding, are automatically entered into the second category:

2) Mission Board projects:

Must be in line with the TED strategic priority aiming to make God known in the community (Why?)

Give overall objectives (What?)

Give an outline on how you are going to run your effort (How?).

What is going to be the impact and the follow up. (Process rather than an event)

Every level does not need to contribute, but it increases the probability of funding.

Can be in Urban Evangelism (Mission to the Cities) or in Mission generally.

TED funding, no GC funds.

Apply throughout the year.

Once we approve it in the Mission Board, we will notify you and send you the money.

3) Global Mission projects (enter into the GC database, communicate with Anca Tanasa):

Must be a church planting project aiming to establish a new church in an unreached community.

Must have a Global Mission pioneer who is in charge (cannot be a pastor, who already has 3 other Adventist churches).

Notice, that the GC runs a strict policy: No reporting, no funding.

So the sooner you send your past reports, the sooner you get your 2018 funding.

This has been in place for number of years and you worked with Esti & Anca on this...

4) GC Council on Evangelism and Witness:

GC funds one project each year for each division from its Council on Evangelism and Witness funding.

Submit your projects till end of May for funding for 2018.

Up to \$25,000; each level needs to contribute...

We will choose which project we forward to the GC and add the TED contribution to it.

5) GC Session Youth Offering:

At the last GC session there was an offering taken which your Youth department can apply for.

This **GC Youth Offering** is distributed between the 11 Unions and 3 Attached fields between 2016 and 2019.

See the fifth attached form for application deadlines details.

Unions apply to Zlatko and Judy, it is discussed within the Youth group first, before it is brought to the Mission Board.

The rest should be self-explanatory (up to \$5272 for Unions and \$1000 for attached Fields).

6) Centre of Influence:

Establishing a Centre of Influence with a vision to reach a new segment/group of population with the Adventist message (and a prospect of having a new local church).

Budget up to \$250,000.

GC will not pay more than 60% i.e. max \$150,000 (usual subsidy is around \$60-80,000).

Money cannot be used for purchasing a building!

Each level of church organisation **must** be involved.

Project needs a long time vision; must have a budget for 5 years, and must be self-sustainable after 3 years (i.e. no GC & TED funding in year 4 & 5)

Apply throughout the year

7) Special initiatives:

Divided into three groups:

ADRA/social sphere: must make difference in the local community. Emphasis on process rather than an event.

Youth-led initiatives: Special application form; emphasis on strategic issues, must be done by youth and for youth.

Departmental resources: Creation of new cutting-edge resources fit for the European mind

In each of the three areas, there is £23,454 per Union/Attached Field available. Apply throughout the year.
