What kind of a person and what
kind of a pastor will you be?

Being a disciple is the life-long process of growth in Christ.

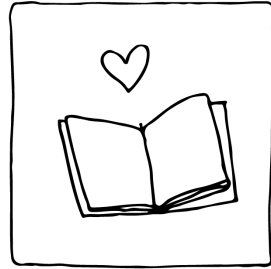

You cannot offer what you are not experiencing

“The minister cannot give to others that which he/she does not possess... Many are able to talk upon doctrinal points, but they are ignorant of the lessons of Christ. Such men/women cannot be a blessing either in the pulpit or at the fireside.”

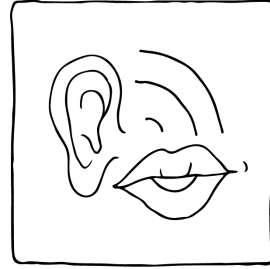

Review and Herald September 2, 1890
