Biblical premise

The church is a body and we are all important members of that body.

“For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others.”

“Spiritual gifts can be effectively used as part of the life of the church, through careful planning and by establishing a system in the church that intentionally takes them into account. By putting the right people in the right place for the right reasons, your church’s ministry will be more effective in advancing the cause of the kingdom.” p.139
