SPONSORSHIP GUIDELINES:

TED sponsorship covers (per semester):

75% of tuition, accommodation and board/food + £50 towards textbooks

Student pays:

25% of tuition, accommodation and board/food directly to Newbold College

This amount is the student's responsibility

The 75% TED sponsorship is broken down as follows:

The Employing organisation pays 2.1 Local Monthly Wage Factor (LMWF) per calendar year

The Union pays 2.1 LMWF per calendar year

TED pays the remainder, or 25% whichever is greater

The Division pays the Union amount for Iceland Conference, Greek Mission & Cyprus Region.

The student amortizes the sponsorship by working for the church for 3 years.

If the student already has a BA degree in another area other than Theology, she will need to do a one-year Graduate Diploma (conversion course). She would also be sponsored for that with the same conditions as the BA. It is expected that she will then continue for MA in Theology which is also sponsored.

The amortisation rate for the Grad Dip is one year.
