

Dear

*I can choose to prepare a meal or feast for you, right in front of your enemies because I am not intimidated or discouraged by difficulties or dangers. I am not afraid of anything.*

*I will lay out and organize a table of provision and sustenance for you, if you are going through a time of trouble and distress. My preparation for you is intentional and I have everything under control. You will always have peace and blessing in the middle of difficult circumstances, if you put your trust in Me.*

*Place your trust in Me like Paul did. Paul was falsely accused and imprisoned. Those who arrested him decided that he needed to go on trial far away, so they transported him by a ship with many guards. Heavy storms battered the ship and blew it off course and caused it to break up. Even though, Paul was surrounded by enemies and was in the middle of a terrible storm, he was not worried or scared. An angel had appeared to Paul and told him not to be afraid- the boat would be shipwrecked but I would keep everyone safe. He believed that I would keep my promise and even encouraged his enemies to eat with him.*

*Hold onto the hope that I will bless you in unexpected ways and unexpected places.*

*Love Forever*

*God*

P.S.

*If you want to write a letter back to me, thanking Me for unexpected ways I have blessed you, pen it down in your prayer journal. Don't forget to read it to Me before you go to bed.*

*For Arts and Crafts maybe you can make a paper plate boat scene with a movable boat. Instructions are as follows:*

- 1. Colour or paint a paper plate - lighter blue for the sky and darker blue for the ocean (you may add clouds and birds to your scene).*
- 2. Cut some sails and boat shapes from card paper. Attach the boat parts to the top of a craft stick.*
- 3. Use a craft knife to cut a wavy line into the lower part of the ocean (this is a job for an adult).*
- 4. Insert the craft stick through the cut and make the boat bob up and down on the waves.*

*As your boat bob up and down remember how Paul ate bread with his enemies in the middle of a storm.*
